

Dr. Mandar B. Mulik

Designation: Assistant Professor in Pharmacy

Date of Joining: 21/06/2017

Email Id: mandar.mulik@gmail.com

Research area:

My research deals with an amalgamation of traditional complementary medicine and natural product-based drug discovery. It involves cost-effective generation of isolation technologies, development of herbal formulations using traditional approach along with a mechanistic understanding obtained by pharmacological evaluation, optimization of extraction parameters using RSM & QBD methodologies for process simplification of novel methods of extraction.

Educational Qualifications:

Degree	University	Year	Specialisation
Ph. D	Institute of Chemical Technology, Mumbai	2016	Pharmacognosy
M. Pharm	Mumbai University	2009	Medicinal Natural Products
B. Pharm	Mumbai University	2005	Pharmacy

Courses Taught: Pharmacognosy & Phytochemistry, Studies of Natural Products, Natural Product Technology, Research Methodology

Research outputs:

- 1) Publications: a) National: 6 b) International: 2
- 2) Patents : Nil
- 3) Book chapters: 1 chapter & 43 Monographs in 5 volumes
- 4) Conferences: a) National: 3 b) International: Nil

Ongoing Projects: Nil

Title of Project Funding agencies Amount

Membership of Professional Bodies:

Member of Maharashtra State Pharmacy Council,

Member of Association of Pharmaceutical Teachers of India.
