

Dr. (Mrs) P. D. Hamrapurkar

Designation: Professor and Head of Department of Pharmaceutical Analysis

Date of Joining: 1 July, 1992

Email Id: pdhamrkar13@gmail.com

Research area:

1. Analytical method development and validation for drug in pharmaceutical preparation using sophisticated state of art instruments
2. Bioavailability/ bioequivalence studies of drug formulations
3. Standardisation of ayurvedic preparation

Educational Qualifications:

Degree	University	Year	Specialisation
Ph. D	University of Mumbai	1992	Analytical Chemistry
M. Sc	University of Mumbai	1985	Organic Chemistry
B. Sc	University of Mumbai	1983	Chemistry

Courses Taught: Pharmaceutical Analysis, Advance instrument analysis

Research outputs:

- 1) Publications: a) National 44 b) International 12
- 2) Patents: Nil
- 3) Book chapters: Nil
- 4) Conferences: a) National Nil b) International Nil

Ongoing Projects:

Sr. No.	Title of project	Funding agencies	Amount
1.	Method development and validation of stability indicating HPLC method of pimavanserin tartarate in bulk drug	University of Mumbai	50,000

Membership of Professional Bodies:

1. Indian Pharmaceutical Association
2. Association of Pharmaceutical Teacher of India (APTI)
