One day National Seminar on
**“LEVERAGING REGULATORY PATHWAY FOR
INCREMENTAL INNOVATION WITH
SUPERGENERICS”**

FRIDAY

4TH AUGUST, 2023
9:00 AM - 5:00 PM

VENUE

- Smt. Geeta Israni Auditorium, 6th Floor, Principal K. M. Kundnani College of Pharmacy, Cuffe Parade, Mumbai 400 005

About College

Prin. K. M. Kundnani College of Pharmacy established in 1971 under the aegis of Hyderabad (Sind) National Collegiate Board, Mumbai, is a premier institute involved in imparting pharmaceutical education at the undergraduate and post graduate level. The institute is affiliated to the University of Mumbai; is approved by AICTE, PCI, DTE and the B. Pharm. course has been thrice accredited by NBA, New Delhi. The institute is placed in the AICTE CII Platinum grade and has a NIRF ranking of 91. The institute has initiated efforts to create the awareness of pharmacy profession in the areas of community & clinical pharmacy. The institute has developed collaborations with pharmaceutical industries in the areas of drug design, drug delivery, herbals, pharmacology and toxicology, analytical method development & regulatory affairs. The college has emerged as one of the leading pharmacy education centres in India and is committed to become a centre of excellence in pharmaceutical education and research.

About CRS

Controlled Release Society (CRS Inc.) with over 4000 members worldwide is an International organization for the promotion and development of Novel Drug Delivery Systems, with headquarters in Minneapolis, Minnesota, the USA, and liaison offices in Geneva, Switzerland, and Kawasaki, Japan. The Indian Local Chapter of Controlled Release Society (CRSIC) was established in 1994 with headquarters at PERD Centre, Ahmedabad, and regional office at SciTech Centre, Jogeshwari West, Mumbai. CRSIC has been rated as one of the Best & Most Active chapters amongst the 15 local chapters of CRS Inc. and celebrated its Silver Jubilee last year 2019.

It Offers Opportunities for business collaborations with technology-driven pharmaceutical manufacturers and allied industries.

Scope of the Seminar

- Identify licensing opportunities in the supergenerics sector.
- Evaluate the geographic reach and technical capabilities of supergenerics companies.
- Compare the growth strategies of different companies.
- Identify which mergers and acquisitions have strengthened a company's supergeneric strategies as acquisition candidates.
- Analyze the different growth strategies employed by generics companies.
- Intended for scientists involved in research in pharmaceutical industry in the field of drug delivery.
- The seminar will also help academicians and students to enlighten themselves with latest advances in research and development in the field of generic and super-generic pharmaceuticals.
