

## Guest Lecture title: Overseas education and licensing career prospects for pharmacists abroad

Date: 20<sup>th</sup> July, 2024

Name of the speaker: Dr. Anirudh Bhandarkar

Affiliation: Director, iFly Global Consultants

No of student attendees: 57 and 8 faculty

Content: iFlyGlobal is a career consultancy firm that helps its students to sit with industry experts and design a career roadmap for them, taking into consideration the students' dreams and expectations and the industry experts' knowledge and recommendations.

The speaker eloquently explained about the process of studying or getting license for working abroad as a Pharmacist. The organization iFly helps students for education and overseas pharmacy licensing exam preparations. They also help with visa applications and booking accommodations. Students who study in their chosen areas abroad who have been sent thru this company also get jobs thru the company. Dr. Bhandarkar discussed in details about the entire process, right from choosing the focus area for research, identifying the University and the research guide right up to getting into the university. They have also helped students to procure license to work abroad. Their help to study abroad or gain license extends to UK and consortium, some European countries, Singapore, Middle-east, Australia and the US and Canada. He also elaborated on licensing procedures in different countries and the salary packages offered in different countries. The lecture was well appreciated by the students.
