

## Seminar on 'Ways to crack GPAT and NIPER Entrance Exam'

A seminar on 'Ways to crack GPAT and NIPER Entrance Exam' was organized on Saturday, 27<sup>th</sup> July 2024, 3.30 pm onwards in the Smt. Geeta Israni Auditorium of the college. The seminar was well attended by over 70 students of B. Pharm and some faculty. The speaker was Mr. Ashtabhuj Shukla, Junior Associate Scientific Writer, Indegene, Bangalore, representing Pharmaelite Consultants. He has significant academic achievements such as GPAT 2020 AIR 96 and NIPER – JEE 2020 AIR 109, and holds a silver medal in B. Pharm.

Mr. Ashtabhuj Shukla explicitly expounded on the structure of GPAT and the NIPER, preparation for these exams including nature of questions and solving question papers available of the past exams from various sources. He also shared names of books to be referred to while preparing for these exams. At the end of his presentation he cleared the doubts of the students by answering all of the student queries.

Convener: Dr. Rajani Athawale, I/C Principal

Coordinators: Dr. Vandana Panda; Mrs. Akanksha Singh and Mr. Harshal Patodkar
