

WIND BENEATH YOUR WINGS

A talk entitled “Wind beneath your wings” was organized under the aegis of IQAC of Prin. K. M. Kundnani College of Pharmacy on Monday, 29th July 2024 between 12 noon - 1.30 pm for all students in the Smt. Geeta Israni Auditorium. The erudite speaker was Ms. Priti Kankaria, Clinical Psychologist and Human Performance Coach. Ms. Kankaria has more than three decades of experience of mentoring a diverse range of individuals, including over 5000 students from school and colleges on efficient studying methods and personality development. Her forte is empowering women with self-awareness through introduction to emotional intelligence.

Ms. Kankaria was lucid in her delineation of self-understanding, self-awareness and enhancing communication. The students responded positively with many queries and took away a lot of confidence and clarity in thinking from the lecture. Over 100 students and about 10 faculty attended this lecture which received a thunderous applause.
