

VAN MAHOTSAV: PLANT ADOPTION

DATE: 1st to 7th July 2024

On the occasion of Van Mahotsav, DLLE unit of Prin. K. M. Kundnani College of Pharmacy in collaboration with SAP Greenery Committee organized in-house Plant Adaptation event. The primary objective of the Van Mahotsav Plant Adaptation event was to instill a sense of environmental responsibility and stewardship among students by encouraging them to actively participate in the nurturing and conservation of medicinal plants. This initiative aimed to enhance student's understanding of plant care, promote sustainable practices, and foster a deeper connection with nature.

Group of 3-4 students are allotted with 1 medicinal plant to take care of for 6 months, at the end of the tenure they will be submitting a report with before and after pictures of the plant.

Students will get a hands-on experience in plant care, including watering, soil nutrition, and monitoring plant health. Development of skills in documenting and reporting plant growth and changes over time.

A few glimpse of the tree plantation drive is seen below.
