The Clean Mumbai Drive organised by DLLE Unit and CCPC-RC of Principal K. M. Kundnani College of Pharmacy, Mumbai, in collaboration with the Brihanmumbai Municipal Corporation (BMC), successfully engaged 35 students and 6 faculty members in a collective effort to enhance cleanliness and environmental sustainability in the college's surrounding locality. The participants, who worked alongside BMC members, enthusiastically contributed to cleaning and organizing the neighborhood. The event not only achieved a cleaner environment but also fostered a strong sense of community responsibility and environmental awareness among those involved. This collaboration highlighted the power of collective action in maintaining public spaces and set a positive example for future community improvement initiatives.
